

# Aalborg University, Denmark

AALBORG UNIVERSITY  
DENMARK

# ONE UNIVERSITY – THREE CAMPUSES

## AALBORG

– approximately 16,400 students and 2,980 staff

## COPENHAGEN

– approximately 2,590 students and 440 staff

## ESBJERG

– approximately 411 students and 80 staff

# Study areas at the Faculty of Engineering

**Study Board of Energy**

**Study Board of Build, Energy, Electronics and Mechanics (Campus Esbjerg)**

**Study Board of the Built Environment**

**Study Board of Chemistry and Bioscience**

**Study Board of Mechanical Engineering and Physics**

**Study Board of Production**

Link for all programs:

# Bachelor programs at the Faculty of Engineering

## Study Board of Energy

BSc in Energy Engineering, specialisation in Mechatronics (Aalborg)

BSc in Energy Engineering, specialisation in Electrical Energy (Aalborg)

BSc in Energy Engineering, specialisation in Thermal Energy (Aalborg)

## Study Board of Build, Energy, Electronics and Mechanics (Campus Esbjerg)

BSc in Applied Industrial Electronics, specialisation in Industrial Electronics (Esbjerg)

BSc in Applied Industrial Electronics, specialisation in IT and Cyber Systems (Esbjerg)

BSc in Energy Engineering, specialisation in Dynamic Systems (Esbjerg)

BSc in Energy Engineering, specialisation in Thermal Processes (Esbjerg)

# Bachelor programs at the Faculty of Engineering

## **Study Board of the Built Environment**

Only master programs

## **Study Board of Chemistry and Bioscience**

BSc in Chemical Engineering and Biotechnology (Esbjerg)

## **Study Board of Mechanical Engineering and Physics**

Only master programs

## **Study Board of Production**

BSc in Engineering, Global Business Engineering (Aalborg), 6th semester (only spring semester)

# How to apply

## Nomination deadlines

15 March (Fall semester) (filled in by partner)

## Application deadlines

1 April (for Fall semester)

## Documentation

Current and previous studies (Transcript of Records)

List of courses you wish to follow

English test

Further information on [www.exchange.aau.dk](http://www.exchange.aau.dk)

# Scholarships

Travel scholarship 395 Euro

Monthly scholarship 1150 Euro

# Semester dates

Fall semester            1 September - 31 January

Spring semester        1 February – 30 June

# Housing in Aalborg

# Pictures of a shared apartment in Aalborg

# Aalborg – a perfect study city

- ▶ Cheap housing, compared to other cities in Denmark and Europe (AAU have our own accommodations)
- ▶ Tightened community, 120,000 inhabitants
- ▶ Has an international airport and a great infrastructure
- ▶ Many bus-lines service AAU and easy to get around by bike

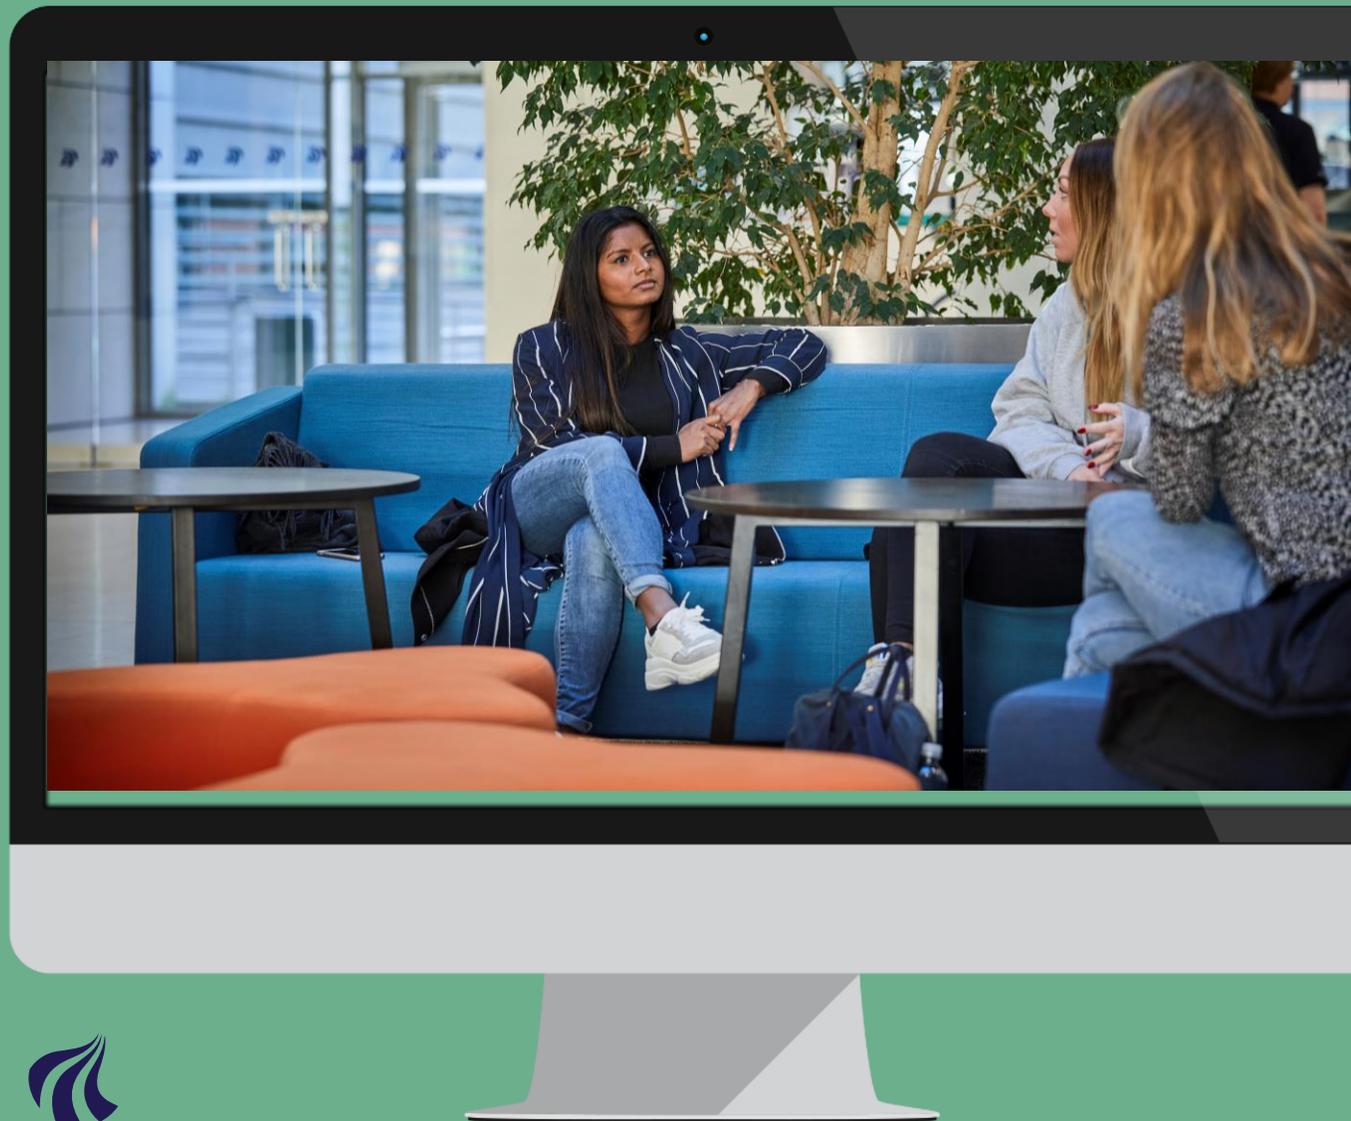

# Denmark and the danes

- 6 millions inhabitants
- Welfare state
- One of the happiest countries in the world
- Digitalization

## The Danes

- Trust
- Direct
- Tolerance (especially of mistakes)
- Nice and kind
- Always on time

**AALBORG UNIVERSITY**  
DENMARK

# Why study at AAU?

- ▶ 2<sup>nd</sup> Best in Europe – 4<sup>th</sup> worldwide in Engineering Sciences
- ▶ The Aalborg Model for Problem Based Learning (PBL)
- ▶ Informal student-teacher relationship
- ▶ Friendships through group work
- ▶ Students complete a project in groups
- ▶ Academic English at a high level

[Read more about Aalborg University](#)

# Why study at AAU?

- ▶ Free health insurance
- ▶ AAU has fantastic canteens and fitness facilities
- ▶ Intensive welcome week programme
- ▶ A buddy network (A current student will be buddy for new students)
- ▶ The city offers a lot of different offers within sports and other organisations

## Aalborg – a perfect study city

- ▶ Flowering social life – museums, concerts, zoo, sports activities, bars, shopping, cafes, restaurants etc.
- ▶ Many sports and social associations (try-outs 60 different sports)
- ▶ Many green areas and parks
- ▶ Cosy and beautiful waterfront
- ▶ One of the biggest carnival in Europe

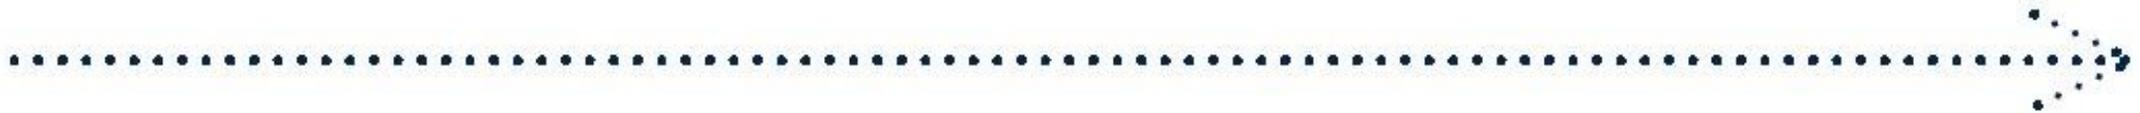

# THE COURSE OF ONE SEMESTER

SEMESTER  
START

COURSE  
MODULES

PROJECT  
MODULE

EXAMS

# PROBLEM AND PROJECT-BASED LEARNING

- ▶ Students are encouraged to solve a problem – they learn through problem solving
- ▶ Students complete a project in groups
- ▶ Students have an academic supervisor who assists them in the project process, challenges and discusses their ideas, and provides feedback on their project work
- ▶ Students document their work in a project report which is the subject of an oral (group) examination

# Studentersamfundet (AAU's primary student union)

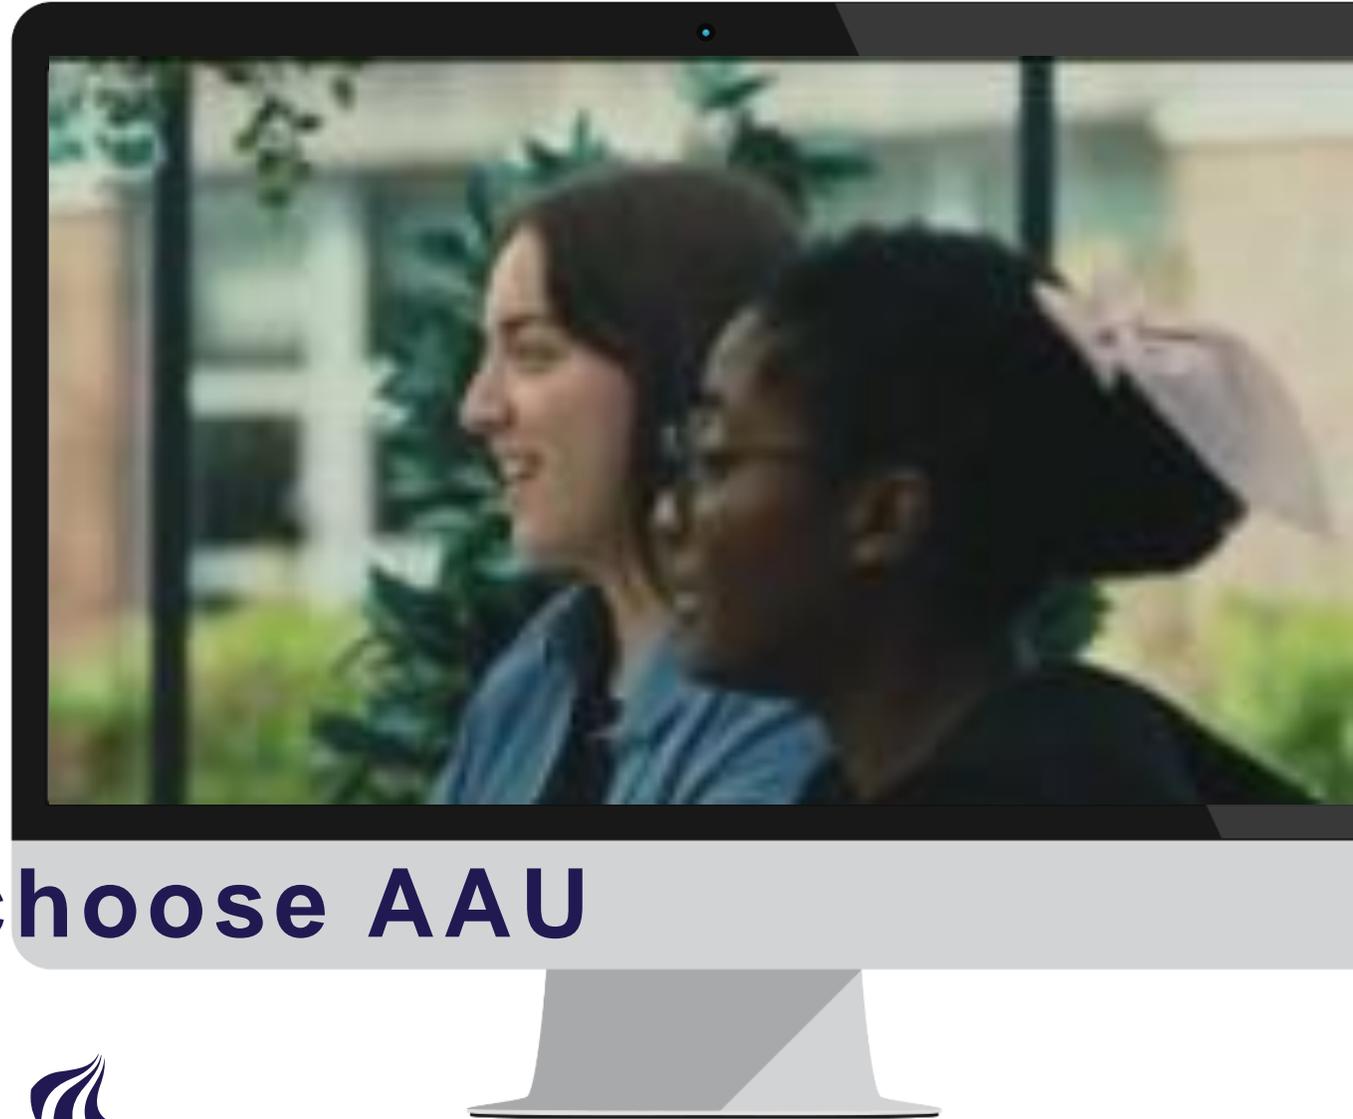

## The union offers you:

- ▶ Academic activities
- ▶ Social activities
- ▶ Student political activities

## Sub-unions in total at AAU:

- ▶ 31 social unions
- ▶ 11 political unions
- ▶ 28 academic unions

**This is why others choose AAU**
