

AALBORG UNIVERSITY  
DENMARK

## Discover Aalborg University as an exchange student

### What to expect:

 **Problem-Based Learning (PBL):** Aalborg University is globally recognized for its unique PBL model, where students work in teams to solve real-life challenges—developing critical thinking, creativity, and collaboration skills.

 **Global Rankings:** Aalborg University consistently ranks among the top universities worldwide. In the 2025 QS World University Rankings, AAU is placed in the top 300 globally and within Europe the university is in the top 3 within the field of Engineering.

 At Aalborg University (AAU), we believe that a warm welcome sets the tone for a successful academic experience. That's why we've designed a vibrant series of welcoming events and a supportive Buddy Programme to help international students feel at home from day one.

## Engineering courses:

### *The Faculty of Engineering and Science*

#### **Study Board of Energy**

BSc in Energy Engineering, specialisation in Mechatronics (Aalborg) 5/6 semester  
BSc in Energy Engineering, specialisation in Electrical Energy (Aalborg) 5/6 semester  
BSc in Energy Engineering, specialisation in Thermal Energy (Aalborg) 5/6 semester  
MSc in Energy Engineering, specialisation in Electrical Power Systems and High Voltage Tech (Aalborg)  
MSc in Energy Engineering, specialisation in Fuel Cells and Hydrogen Technology (Aalborg)  
MSc in Energy Engineering, specialisation in Mechatronic Control Engineering (Aalborg)  
MSc in Energy Engineering, specialisation in Power Electronics and Drives (Aalborg)  
MSc in Energy Engineering, specialisation in Thermal Energy and Process Engineering (Aalborg)  
MSc in Energy Engineering, specialisation in Hybrid Wind Power Systems (Aalborg)

#### **Study Board of Build, Energy, Electronics and Mechanics in Esbjerg**

BSc in Applied Industrial Electronics, specialisation in Industrial Electronics (Esbjerg) 5/6 semester  
BSc in Applied Industrial Electronics, specialisation in IT and Cyber Systems (Esbjerg) 5/6 semester  
BSc in Energy Engineering, specialisation in Dynamic Systems (Esbjerg) 5/6 semester  
BSc in Energy Engineering, specialisation in Thermal Processes (Esbjerg) 5/6 semester  
MSc in Sustainable Energy Engineering, specialisation in Offshore Energy Systems (Esbjerg)  
MSc in Advanced Power Electronics (Esbjerg)  
MSc in Advanced Power Electronics. Specialisation in AI and Autonomous systems (Esbjerg)  
MSc in Sustainable Energy Engineering, specialisation in Fluids and Process Systems (Esbjerg)  
MSc in Risk and Safety Management (Esbjerg) - flyttet fra Build fra F25

#### **Study Board of the Built Environment**

MSc in Building Energy Design (Aalborg)  
MSc in Indoor Environmental and Energy Engineering (Aalborg)  
MSc in Structural and Civil Engineering (Aalborg)  
MSc in Water and Environmental Engineering (Aalborg)  
MSc in Geography (Aalborg)

---

**Study Board of Chemistry and Bioscience**

BSc in Chemical Engineering and Biotechnology (Esbjerg)  
MSc in Biotechnology, specialisation in Medical Biotechnology (Aalborg)  
MSc in Biotechnology (Aalborg)  
MSc in Chemical Engineering (Esbjerg)  
MSc in Chemistry (Aalborg)  
MSc in Engineering in Bioengineering (Esbjerg)

---

**Study Board of Mechanical Engineering and Physics**

MSc in Mechanical Engineering, specialisation in design of Mechanical Systems (Aalborg)  
MSc in Mechanical Engineering, specialisation in Manufacturing Technology (Aalborg)  
MSc in Mechanical Engineering, specialisation in Electro-mechanical System Design (Aalborg)  
MSc in Engineering (Physics and Technology) with specialisation in Nanomaterials and Nanophysics (Aalborg)  
MSc in Engineering (Physics and Technology) with specialisation in Nanobiotechnology (Aalborg)  
MSc in Mechanical Engineering, specialisation in Biomechanical Engineering (Aalborg)

---

**Study Board of Production**

MSc in Management Engineering, specialisation in Operations and innovation management (Aalborg)  
MSc in Management Engineering, specialisation in operations and supply chain management (Aalborg)
